Dear Mr. Edwards:

The purpose of this letter is to acknowledge Department of Ecology's acceptance of your donation to the Washington State Trust Water Rights Program. The trust water right has been assigned the control number **CS4-SWC06419**. Please refer to that number when corresponding with us about this trust water right.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 330 acre-feet per year by fallowing 100 acres within the 120-acre place of use. The purpose of the donation is to benefit instream flow in the Columbia River from approximately River Mile 569 to River Mile 0. The term of the trust water right is September 6, 2011 to October 31, 2014.

This trust water right expires on December 31, 2014.

The parent water right, SWC06419, authorizes the diversion of 2.41 cubic-feet-per-second for the irrigation of 120 acres during the irrigation season and for continuous domestic use. The recorded place of use is located within the S $\frac{1}{2}$ SW $\frac{1}{4}$ of Section 10 and the N $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 15, all in T. 30 N., R. 28 E.W.M.

RCW 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to the expiration date of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended.

If you have questions or concerns, please call Mark Schuppe at (509) 454-4238.
